

# Supporting Higher Education with a \$1,000 Scholarship

College comes with big books, big lecture halls and big homework. It also comes with a big price tag. First Eagle is offering a \$1,000 scholarship to help cover expenses for higher education.

Eligible applicants must be:

- A primary accountholder with First Eagle; parental membership does not qualify an applicant.
- A high school senior planning to attend a two- or four-year college, university or trade school, or a student in their freshman through junior year of college, university or trade school.

Visit [firsteaglefcu.com/scholarships](http://firsteaglefcu.com/scholarships) to submit an application. The deadline is July 31. The winner will be announced in August.

**Selection Process:** Applications will be reviewed and judged by the Scholarship Committee. The primary intent of the Committee is to discover well-rounded and education-oriented individuals and assist them in advancing their education. Financial need is not a criterion. The winner will be notified and announced in August. Funds will be applied to the student's upcoming fall semester. First Eagle employees, members of the Board of Directors, Scholarship Committee members, and their family members are not eligible.
